

K.S. INSTITUTE OF TECHNOLOGY, BANGALORE -109
DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

THE INSTITUTION OF ELECTRONICS AND TELECOMMUNICATION ENGINEERS
IETE STUDENTS FORUM (ISF)

The Institution of Electronics and Telecommunication Engineers (IETE) is India's leading recognised professional society devoted to the advancement of Science and Technology of Electronics, Telecommunication & IT, Founded in 1953. It concentrates on the facilitation of the exchange of information among fields which have helped many economies worldwide. It is an institute of eminence by the Government of India and has 51 centres located all over the country. IETE strives to keep up with the changing times and new technological advancements and does so by keeping all those involved informed about the same.

Objectives of ISF :

1. Improving standard of Engineering Education
2. Counselling the students in the emerging new opportunities
3. Encouraging and motivating the outside Classroom studies /Workshops/projects/Seminars
4. Increasing the student base and Corporate membership of IETE

Activities:

1. To plan, organize Technical Programs, Special Lectures, Workshops, Seminars Symposia, exhibitions for the benefit of students.
2. To provide common platform for students to exchange of ideas in technical topics of interest, e.g., curriculum, employment, higher educational opportunities, emerging trends, etc.
3. To facilitate technical visits, project works, employment, contact with industries and academic institutions.
4. Encourage team spirit and self-reliance among student members.
5. ISFs should be a catalyst for the overall growth in technical and professional skills in young students.

In KSIT, the IETE Students forum (ISF) was formed on 12th March 2015 by the Department of Electronics and Communication Engineering and Department of Telecommunication Engineering. The ISF forum at KSIT, conducted many technical activities: 1 workshop and 1 FDP in the academic Year 2015-16, 2 Guest Lectures, 1 workshop and 1 FDP in the academic year 2016-17, 2 Guest Lectures and 2 workshops in the academic year 2017-18, 1 Guest Lecture and 1 workshop for the academic year 2018-19.

ISF Coordinators:

Dr. B.Surekha, Professor, Dept. of ECE
