

REPUBLIC DAY: 26/01/2019

Republic Day honors the date on which the Constitution of India came into effect on 26 January 1950 replacing the Government of India Act as the governing document of India.

Republic day was celebrated On the occasion of 70th Republic Day 26th January 2019 NSS Unit of KSIT took an initiative in preparing the event. President Ramachandra Naidu, from management was present on the occasion. Our Principal Dr. T V Govindaraju, all teaching and non teaching staff, Sports department and hostel committee members were also present. 8.30AM In the morning every one assembled in the quadrangle. All arrangements for flag hoisting was made by NSS committee. President hoisted our national flag followed by everyone sung the national anthem. President, Treasurer and Principal of KSIT delivered few words on the occasion.

After which breakfast was arranged to all staff and Management.

BLOOD DONATION CAMP 2018-19:14/03/2019

Blood camp organized by NSS & Red cross Committee on 14th MARCH 2019 at 10:00am in KSIT in association with **LIONS BLOOD BANK**, Bangalore. Many students as well as faculty participated in the event. In blood camp we collected **222** units of blood. Through blood camp in KSIT students not only concentrate on academics only but also concentrate in social service related activities. We collected information like phone numbers, blood group of the students helped the number of the students in case of Emergency Blood needed.

President Ramachandra Naidu, Secretary Venkatesh Naidu and Treasurer Rukhumangada Naidu from management were present on the occasion. Our Principal Dr. T V Govindaraju, requested & motivated the KSIT family to donate blood with good will, as blood alone that can save the lives at risk. All the dignitaries of KSIT & Lions Club were present at the outset.

The camp began at around 9 am and continued up to 4pm with a steady stream of donors throughout the day. In a college even though the major segment of donors are students, staff also participated actively. After a medical checkup, eligible donors donated their blood for the well being of humanity. At the arena of blood donation all the arrangements had been made by the NSS volunteers of K. S. Institute of technology in coordination with Red Cross members, where donors could lay down and recuperate for a while before they leave venue. The donors were provided with acquit refreshments & a certificate of appreciation before they left.

“Computer Awareness Program”

Date of Conduction of Program: 7th March, 2019

Venue: Online Lab (NB), KSIT

Organized by: NSS UNIT, Department of Computer Science & Engineering in association with CSI Student Chapter ,KSIT

Conducted By: NSS Programme Officer Mr. Chowdappa M R , Ashwini, Asst. Professor, Dept. of CSE, KSIT along with student co-ordinators.

Duration: 10.30 am to 3 pm

Participants: 6th and 7th standard students, Government School, Bayyanapalya, Vajarahalli, Kanakapura Road, Bengaluru

Scope of the program:-This program was conducted for 6th and 7th standard Government School students, in order to make them gain knowledge about the following:- Basics of Computers, Parts of a Computer, Uses of computers in our daily life, hands-on session on using MS-paint, MS-word application to write simple letter, Web browsing, basic information with respect to the Google search engine, to browse the www.kseeb.kar.nic.in web page. This program focused on providing an exposure to the usage of computers and its applications. The hands-on sessions were very effective and the student volunteers focused on the usage of MS-Office applications to meet the suitable requirements of our daily life.

Objectives of the program:-

- To provide an exposure to work with the computers
- An Attempt to bridge the gap between academics and the updated technology
- Showing the importance of computers in our daily life
- Boosting confidence among school children by providing an exposure to the outside world
- An Attempt to improve their communication and presentation skills via interactive sessions

Program Schedule:-

Inauguration: 10.30 am to 11.00pm

Session 1: 11.00 pm to 11.30 am

- Introduction to parts of the computer
- Importance of Computers in our daily life

Session 2: 11.30am to 12.15 pm

- Using MS-Paint to draw simple drawings and saving it
- Using MS-word application to write simple letters (Eg: Leave letter), and knowing about word art designs.

Lunch Break: 12.15pm to 1pm

Session 3: 1pm to 2pm

- Importance and benefits of Web browsing
- Using Google search engine to know about useful information on Internet
- Visiting KSEEB website to know information regarding their academics.

Session 4: Valedictory Function

The experience of school children about this program is recorded and made available in this Google drive link:-

Highlights of the program:-

The school children were very eager to know about computer and its applications. They showed interest to know more about the usage of computers and interacted with our student volunteers and few of the CSE faculty to clearly understand the concepts. The children also had an exposure to a new environment and appreciated the culture existing at KSIT College.

ENVIRONMENT DAY

Date of Conduction of Program: 5th MAY, 2018

Venue:Thurahalli forest area

Organized by: NSS unit in association with Forest department &Parisara samrakshana vokuuta.

Duration: 10.30 am to 3 pm

Participants: NSS Volunteers and Government school students and local people.

WORLD ENVIRONMENT DAY HISTORY

World Environment Day (also called as WED) has been started celebrating as an annual event on every 5th of June since 1973 in order to raise the global awareness about the importance of the healthy and green environment in the human lives, to solve the environmental issues by implementing some positive environmental actions as well as to make aware common public worldwide that everyone is responsible for saving his environment and not only somebody, government or organizations working for it.

Scope of the program:- The environment has become increasingly polluted with contaminants and toxins, and these have a harmful impact on our health. They can cause respiratory diseases and cancer—and that's just for starters. By raising awareness of the issues with the air that sustains us, World Environment Day inspires us to do something about it and fix the environment we can't live without.

Objectives of the program:-

- 1) To bring awareness to people about ENVIRONMENT
- 2) To make the environment clean

Highlights of the program:-

NSS unit in association with forest department and an NGO Parisara samrakshana vokutta successfully conducted an event of sowing seed balls of different jungle trees in the Thurahalli forest area with the help of Government school children's ,NSS Volunteers,localites.The program was inaugurated by Regional forest officer, Mr Mukund rao founder of Parisara smrakshana vokutta and Mr.Chowdappa.M.R NSS Programme officer,Mr.Umesh Physical education director of KSIT.we have also conducted an Environment awareness program to the students in this program.

ENVIRONMENT DAY 05-06-2018

INTERNATIONAL YOGA DAY: 21/06/2018

International Day of Yoga, or commonly and unofficially referred to as **Yoga Day**, is celebrated annually on 21 June since its inception in 2015. An international day for yoga was declared unanimously by the [United Nations General Assembly](#) (UNGA). **Yoga** is a physical, [mental](#) and [spiritual practice](#) originated in India. The [Indian Prime Minister Narendra Modi](#) in his UN address suggested the date of 21 June, as it is the [longest day of the year](#) in the [Northern Hemisphere](#) and shares a special significance in many parts of the world. Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between [man and nature](#); a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature. By changing our lifestyle and creating consciousness, it can help in well being. Let us work towards adopting an International Yoga Day.

NSS Unit in association with Art of living, an International spiritual organization celebrated International Yoga Day at KSIT Campus on 21 June 2018. All faculty members were participated and made grand success.

FUND COLLECTION FOR KODUGU & KERALA FLOOD RELIEF: 25/8/2018

A Natural disaster is a major adverse event resulting from natural process of the Earth, examples are floods, hurricanes, tornadoes, volcanic eruptions, tsunamis, and other geologic processes. A natural disaster can cause loss of life or damage property, and typically leaves some economic damage in its wake, the severity of which depends on the affected population's resilience, or ability to recover and also on the infrastructure available. In the month of August 2018, Kerala state and Kodagu district in the state of Karnataka witnessed flooding due to heavy rains. Nearly 18 lives were lost in the deluge and now a detailed report on the floods reveals that this disaster was due to human activities. The finding of the report suggests that man-made activities triggered landslides in Kodagu during the floods.

NSS volunteers and students of KSIT generated fund of Rupees 37,936/ for the victims of KODUGU and KERALA and also items required the victims. This amount is submitted to the management of KSIT .The faculties of K S Group of Institutions donated one day salary for the relief. A total sum of Rs 15 lakh was donated to CM relief fund of Karnataka from KAMAVARI SANGA.

INDEPENDENCE DAY :15/8/2018

The struggle for India's Independence began in 1857 with the Sepoy Mutiny in Meerut. Later, in the 20th century, the Indian National Congress and other political organizations, under the leadership of Mahatma Gandhi, launched a countrywide independence movement. Colonial powers were transferred to India on August 15, 1947.

The Constituent Assembly, to who power was to be transferred, met to celebrate India's independence at 11pm on August 14, 1947. India gained its liberty and became a free country at midnight between August 14 and August 15, 1947. It was then that the free India's first prime minister Pandit Jawaharlal Nehru gave his famous "Tryst with Destiny" speech. People across India are reminded of the meaning of this event - that it marked the start of a new era of deliverance from the British colonialism that took place in India for more than 200 years.

Independence Day is a day when people in India pay homage to their leaders and those who fought for India's freedom in the past. The period leading up to Independence Day is a time when major government buildings are illuminated with strings of lights and the tricolor flutters from homes and other buildings. Broadcast, print and online media may have special contests, programs, and articles to promote the day. Movies about India's freedom fighters are also shown on television.

On the occasion of 72nd Independence Day, 15th August 2018 NSS Unit of KSIT took an initiative in preparing the event. President Ramachandra Naidu, and Treasurer Rukhumangada Naidu from management were present on the occasion. Our Principal Dr. T V Govindaraju, all teaching and non teaching staff, Sports department and hostel committee members were also present. In the morning 8.30AM every one assembled in the quadrangle. All arrangements for flag hoisting was made by NSS committee. President hoisted our national flag followed by everyone sung the national anthem. NSS volunteers performed cultural events and make the program wonderful. President, Treasurer and Principal of KSIT delivered few words on the occasion.

After which breakfast was arranged to all staff, students and Management.

DRUG AWARENESS WALK: 10th NOV 2018

According to a survey everyday India sees 10 suicides related to drug abuse, Kids hear about drugs everywhere: on TV, radio, news, online, music and movies; and sometimes even on the street or on the playground. The teen years are the most likely time for someone to start trying drugs. And starting drug use as a teen can lead to drug problems when they grow up.

The incidence of drug abuse among children and adolescents is higher than the general population. This is notably because youth is a time for experimentation and identity forming. In India an NGO survey revealed that 63.6 % of patients coming in for treatment were introduced to drugs at a young age below 15 years. There are very few to no health centers that deal with child substance abuse problems, especially in the rural areas. The use of tobacco is another major concern among children. In India 20 million children a year and nearly 55,000 children a day are drawn into a tobacco addiction. The number is shocking when compared to the 3000 a day new child smokers in the US.

A small step towards tackling the above issue we NSS KSIT supported team Aarohan to organize a walkathon for all the college students along with our police to create awareness. Our Bangalore city police along with the entire team supported all the participants to say **NO TO DRUGS**.

Bangalore city Commissioner of police **Mr.T.SUNEEL KUMAR. IPS** and state NSS OFFICER **DR.GANANATHA SHETTY YEKKAR** inaugurated the event along with M Square Networks in charge Mr vinay, Ms.Manisha Bhat and students.Over 3000 individuals participated in this event and made grand success.

Venue: CUBBEN PARK , Bangalore

Date : 10th NOV 2018

Time : 7:00 AM to 9:00 AM

Content : 3 Km & 5 KM Walk which will be flagged off by senior police officers, Cultural program by college students to drive students against drug usage.

Participants: All the College students of Bangalore South colleges along with Bangalore City Police of South Law and order Division.

DENTAL AWARENESS AND FREE SCREENING CAMP: 03/11/2018

Overview:

During the first three decades of life the primary cause of tooth loss is decay. From the middle 30s to the late 50s, periodontal (gum) disease is identified as the main reason teeth are removed. And after age 60, tooth decay is again the major cause of tooth loss. But the type and extent of tooth decay experienced by seniors is very different from that which affects children.

Decay in late life often occurs around the edges of fillings and crowns or on root surfaces of teeth that are exposed because of gum recession. This kind of tooth decay advances rapidly and is generally difficult and expensive to treat. It frequently requires a larger filling or new crown to be placed.

If the problem is isolated to the root of a tooth all that may be necessary is a filling, but this is more the exception than the rule. In some instances because the decay is so extensive the tooth may need a root canal or must be removed.

No matter what age, prevention is the key to maintaining good oral health. Knowing what particular dental problems you are at risk for developing and how you can reduce those risks will help you decide the most appropriate means to prevent dental problems.

Susceptibility to various dental problems change as people age. Each person's risk factors are unique. A thorough understanding of what they are is necessary to adequately reduce those risks. so **NSS KSIT** student branch in collaboration with IEEE KSIT conducted "**Dental Awareness Camp**" on 3rd November 2018. The main objective of this event was to provide good oral health to the fellow KSIT members.

300 students along with staff members actively participated in this event. The dentists of Partha's Dental Clinic diagnosed oral problems of the students & provided beneficiary advices to the students regarding their oral health.

NSS and IEEE volunteers served as a helping hand to the doctors by assisting them in the service. NSS KSIT sincerely thanks Partha's Dental Clinic for their support.

Kannada Rajyotsava : 30-11-2018

63rd Kannada Rajyotsava was celebrated on 30/11/2018 from 2.00 PM to 4.00 PM at college quadrangle. The function was formally inaugurated by Shri. D. Rukmangada, Treasurer, Kammavari Sangham, and Dr.T.V. Govindaraju Principal/ Director, KSIT, followed by NADA GEETHE. The dignitaries spoke on the importance and relevance of mother tongue and how to motivate other state people to speak and write Kannada language. A series of cultural programmes like poem reciting (kannada), Bhavageethe, Janapada Geeth, Chitra Geethe were performed by staff and students, which was acknowledge by the cheering crowd.

The function ended with sweet distribution.

ESSAY COMPETITION ON CIRCUMSTANCES OF DRUG ABUSE:
17/12/2018

OVERVIEW: Substance use disorders are associated with a wide range of short- and long-term health effects. They can vary depending on the type of drug, how much and how often it's taken and the person's general health. Overall, the effects of drug abuse and dependence can be far-reaching. They can impact almost every organ in the human body.

Side effects of drug addiction may include:

- A weakened immune system, increasing the risk of illness and infection
- Heart conditions ranging from abnormal heart rates to heart attacks and collapsed veins and blood vessel infections from injected drugs
- Nausea and abdominal pain, which can also lead to changes in appetite and weight loss
- Increased strain on the liver, which puts the person at risk of significant liver damage or liver failure
- Seizures, stroke, mental confusion and brain damage
- Lung disease
- Problems with memory, attention and decision-making, which make daily living more difficult

With reference to the letter N0.CCRB/83/TGPS/2018 dated 17/12/2018 on the occasion of **CRIME PREVENTION MONTH-DECEMBER 2018**, NSS cell of KSIT conducted an Essay competition for our students on 21/12/2018 .

100 students from various branch participated in the competition and the members of the committee were selected three students for I, II, III Prices respectively. Thallgatpura Police inspector ,Principal and NSS Committee members distributed the prices for the students. Details of selection committee members and price winners are listed below.

Price winners list
