**1. Inauguration of Guest Lecture**

A world-class institution, Binghamton University offers students a broad, interdisciplinary education with an international perspective and one of the most vibrant research programs in the nation. Ranked among the elite public universities in the country, Binghamton challenges students academically, not financially, in its unique, best-of-both-worlds environment.

The University consists of seven schools: Harpur College of Arts and Sciences, the College of Community and Public Affairs, the Decker School of Nursing, the Graduate School of Education, the School of Management, the Thomas J. Watson School of Engineering and Applied Science and the School of Pharmacy and Pharmaceutical Sciences. Binghamton's School of Management is #14 on *Fortune's* list of the "25 Best Colleges for Earning a Degree" (2015). *Buffalo Business First* ranked Binghamton #20 in the United States, calling the University the "Smartest SUNY" and ranking it as the best public college in New York. *U.S. News and World Report* (2016) say Binghamton University is "one of the nation's top 40 public universities."

## 2. Binghamton University

The speaker Dr. Madhusudhan Govindaraju started the lecture by explaining about the location, campus and courses offered by The Thomson J. Watson School of Engineering and Applied Science, Binghamton University. Binghamton University is often recognized for excellence. That doesn't just happen, it's due to the expertise and dedication shown by our outstanding faculty and staff. The University has very knowledgeable faculties where they provide excellent teaching and also guide the

research scholars 24/7. Faculties do innovative teaching based on outcome, where students are not confined to syllabus of a subject.

Speaker explained about the fee structure for the International students and the hospitality for them in the campus. Coming to the admission procedure one can clear in GRE, TOFEL & so on with the best score and good CGPA in their Academics. The students can also avail 8 week summer camp program from any of the Country by coming to the university before joining the full time programme in the University.

University conducts many cultural programs, Sports & Adventures every week. Students feel homely by the hospitality provided by the University.. In the university each department has well equipped lecture halls, well equipped laboratories, and Research and Development centers.
