Tuition fees amount of \$34,600.00 are reviewed annually and are subject to change. Any fee rate increases will be applied to all offers of admission at the rate applicable to the Commencement Date of your course. In the event of a variation between the Tuition Fees as set out in this Offer letter and the approved La Trobe published annual fee rates, the approved La Trobe published annual fee rate for your year of commencement will prevail (\$34,600.00).

The Tuition Fees in this Offer are for a standard full-time annual study load (120 credit points). The Actual Tuition Fees that you will be charged may vary from what is listed in this Offer and will be based on your subject enrolment and the published Actual Tuition Fee for the Commencement Date. The University reserves the right to vary Tuition Fees on an annual basis. In the event of a fee increase, the University will issue you with a Statement of Account after enrolment for your Actual Tuition Fees, which will indicate the specified due date for payment of each subject. If you are enrolled in a greater than standard 60 credit point load in any semester, you may be required to pay additional fees in that semester which were not previously advised to you in this Offer.

Once you have enrolled and commenced your Course, the Actual Tuition Fees for continuing students will not normally rise above 7% per annum, except in circumstances where additional costs are imposed on the University to provide the Course. Should the University decide to increase its fees, that increase will be applied at the beginning of each calendar year.

Each subject that you enrol in within your Course has a Census Date after which you become financially liable for subject. If you withdraw from a subject after the Census date you must still pay for the subject. The Census Date for each subject you enrol in will be shown on your Statement of Account.

This Offer is subject to the University 'Refund Policy and Privacy Statement'. The policy is detailed in the Offer Acceptance Form and is available on the following website [latrobe.edu.au/international/fees/tuition](http://latrobe.edu.au/international/fees/tuition)

The Australian Government's Department of Home Affairs suggested living costs for international students is to allow for approximately AUD \$20,290 per annum (year). This is in addition to the tuition fees outlined above. Full details of this can be seen at <http://www.homeaffairs.gov.au/Trav/Stud/More/Student-Visa-Living-Costs-and-Evidence-of-Funds>

**Extra Remarks:**

All international student visa holders are required to have an active visa length OSHC from the date of their arrival in Australia until the date their visa expires. The listed OSHC duration is based on you arriving in Australia up to two months before course commencement until your visa expires.
