

**K. S. INSTITUTE OF TECHNOLOGY, BENGALURU – 560109**  
**DEPARTMENT OF MECHANICAL ENGINEERING**  
**Industrial Visits**

| Sl.No | Name of the Company   | Date                          | Department  | Semester            | No. of Students | Remarks  |
|-------|---|-------------------------------|-------------|---------------------|-----------------|--|
| 1     | Bhoruka Power Corporation                                       | 28.09.2013                    | Mech Engg., | V A&B               | 110             | Low head hydro electric power plant  |
| 2     | GTTC  | 23.04.2014<br>&<br>24.04.2014 | Mech Engg., | VI A&B              | 110             | Information regards tools and its operations                               |
| 3     | IMTEX 2015 and Tool Tech  | 24.01.2015                    | Mech Engg., | IV A&B              | 110             | Showcasing machine tool accessories, metrology and CAD/CAM                 |
| 4     | IMTEX Exhibition at BIEC  | 23.01.2016                    | Mech Engg., | IV A&B              | 110             | Different Tool and Machine Exhibition                                      |
| 5     | Open Day at IISc  | 5.03.2016                     | Mech Engg., | II & IV             | 120             | Recent Innovative Technologies   |
| 6     | TUV Rheinland (India) Pvt. Ltd.                                 | 21.10.2016                    | Mech Engg., | Workshop on N-CERAS | 80              | Testing of Solar Panel   |
| 7     | IMTEX Exhibition at BIEC  | 01.02.2017                    | Mech Engg., | VI A&B              | 135             | Different Conventional and CNC Machines                                    |
| 8     | Open Day at IISc  | 04.03.2017                    | Mech Engg., | IV & VI Semester    | 120             | Recent Innovative Technologies   |
| 9     | Rotary Wing Research & Design Centre, HAL                       | 25.03.2017                    | Mech Engg., | VI A&B              | 120             | Getting exposure to the process  |
| 10    | Govt. Tool room training Centre(GTTC), Bengaluru                | 08-05-2019                    | Mech Engg., | IV A,B&C            | 135             | Information regards tools and its operations and information on automation |
| 11    | Solar power plant, Shivanasamudra and Cauvery Hydro power plant | 05-11-2019                    | Mech Engg., | VI A&B              | 136             | Getting exposure to the Non-Conventional energy resources                  |
