## **MEDICAL TACTILE EXAMINATION CAMP Report**

Date of Conduction: 01<sup>st</sup> August 2023

Venue: Ladies waiting Room and First Aid Room

Time: 9.30 am to 3pm

Resource Persons: Examiners from CyteCare Cancer Hospital in collaboration with Oracle Volunteers

KSIT NSS in collaboration with Oracle Volunteers, CyteCare Cancer Hospital and Enable India conducted a Medical Tactile Examination Camp at KSIT, Bangalore. This camp was conducted in association with IEEE-WIE, ASH and Institutions Innovation Council.

The Camp started at 9.30 am. Five visually impaired ladies trained by CyteCare Cancer Hospital and working in that hospital itself were the examiners. This Medical Tactile Examination camp mainly aimed at going one step beyond bringing awareness among ladies about breast cancer. Around 22 female employees of our institution participated in this camp and got themselves examined. A confidential report was mailed to each employee individually so that they can be cautious about their health.

The camp came to an end at 3 pm. An informal valedictory was conducted where oracle volunteers and CyteCare hospital staff were felicitated.

**Outcomes/Benefits:**

- Female employees became aware of the importance of maintaining their health.
- Ladies got some tips to maintain good health.
