#### **ALUMNI SURVEY QUESTIONS**

	Please rate the following According to SKILLS, ABILITIES, AND ATTRIBUTES (Importance to									
	ment Vs. Level of preparation)		T							
Sl.No	Existing Alumni Survey	<b>Modified Alumni Survey Questions</b>	PO/PSO							
•	Questions									
1	Ability to apply knowledge of mathematics, physics and engineering	Academic program of the department has enabled you to apply knowledge of mathematics, basic sciences and engineering fundamentals to solve real world problems.	PO1							
2	Ability to Identify, formulate and solve engineering problems.	The learning obtained at the department of ECE has helped in problem analysis and formulating real world solutions.	PO2							
3	Ability to develop a system/product	The Department has enabled me in design and development of products.	PO3							
4	Ability to analyze complex engineering problems	The Department has helped me to acquire skillset for analyzing complex engineering problems and interpret the result	PO4							
5	Ability to use state of art techniques & tools in engineering practice	The Department has been encouraging the usage of current technology and modern tools	PO5							
6	Ability to Understand and appreciate the impact of Engineering in the societal and global contexts	The learning at ECE department, KSIT has made me to assess the impact of Engineering in the societal and global contexts	PO6							
7	Ability to understand economics of Engineering & environmental sciences	The Department has enabled me to understand the impact of engineering solutions in environmental contexts and the importance of sustainable development	PO7							
8	Ability to understand professional and ethical responsibilities as an Engineer.	The Department has made me adopt professional ethics as a part of my career	PO8							
9	Ability to work effectively in teams.	The Department has helped me to work effectively as an individual or as a team member	PO9							
10	Ability to communicate Effectively	The Department has helped me to communicate and present my professional work effectively	PO10							
11	Ability to manage project and finance	Academic program of ECE has enabled me to adopt project management skills in	PO11							

		my profession	
12	Be aware of the need for self-learning and membership in professional activities	Learning activities of the Department Of ECE has enabled me to learn new technology on my own.	PO12
13	Ability to apply concepts of Electronics & Communication Engg.in your professional work	The Department of ECE has helped me to apply the concepts of Electronics and Communication to develop solutions	PSO1
14	Ability to design and develop solutions using hardware and software tools with societal concern	using hardware and software tools	PSO2
