Through HOD-ECE

Respected Sir,

Sub: Requisition to conduct awareness program on "IISC outreach program for GATE/JAM"

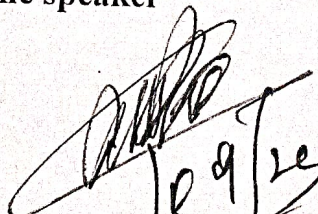

With reference to above subject, the Electronics & Communication Department would like to organize awareness program on "IISC outreach program for GATE/JAM" in association with IETE, IEEE, IEI and IIC. The session will be delivered by Dr. Sunil Kumar Naik & Dr. Varun Adiga from IISC Bangalore on 22/09/2025 from 1.30 pm in the conference hall, New Block for 7<sup>th</sup> Semester EC students. Please permit us to organize the event and oblige.

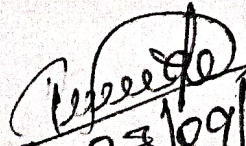

Budget requirement:

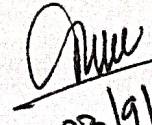

Honorarium: Rs 2500/ for the speaker

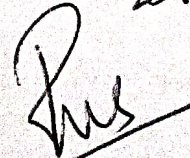

Thanking you,

yours sincerely

**REPORT**

**on**

**“Awareness Program on IISC outreach Program for GATE/JAM”**

**In association with**

**Agenda:** A Technical talk on “Awareness Program on IISC outreach Program for GATE/JAM”

**Date of Conduction:** 22<sup>nd</sup> September 2025

**Venue:** Ground Floor Conference Hall KSIT

**Time:** 1:30pm-3:30pm

**Sponsoring Bodies/Associating Organization:** IEI, IETE-KSIT

**Participant details- No. of Participants:** 100

**Sem:** VII A & B Sec

**Students (internal/external):** INTERNAL

**Faculty Coordinators:** Dr Dinesh Kumar D S and Mr. Naveen Kumar S

## About the Event

An Awareness Program on Outcome Reach Program for GATE/JAM was conducted with the objective of guiding students towards higher education opportunities and competitive examinations. The session aimed at creating awareness about the importance of GATE (Graduate Aptitude Test in Engineering) and JAM (Joint Admission Test for M.Sc.) as gateways to postgraduate studies, research opportunities, and careers in reputed institutes. The speaker discussed the structure of the GATE exam, including the papers offered, question types, and the significance of a good GATE score. The talk also covered the benefits of qualifying GATE, such as opportunities for postgraduate programs, direct Ph.D. admissions after B.Tech, MoE scholarships, and PSU placements based on GATE scores.

In addition to GATE, the session highlighted the JAM exam, which is a national-level admission test for M.Sc. programs in prestigious institutes such as IISc and IITs. Students were informed about the subjects available under JAM like Physics, Chemistry, Mathematics, and Biotechnology, as well as unique programs and admission procedures offered by these institutes.

## OBJECTIVES

- ❖ To create awareness among students about the importance of GATE and JAM examinations.
- ❖ To help students understand the various papers offered under engineering, science, and humanities streams.
- ❖ To guide students about opportunities such as PG admissions, direct Ph.D. programs, scholarships, and PSU placements through GATE.
- ❖ To explain the admission process for M.Sc. programs at IISc and IITs through JAM.
- ❖ To encourage students to plan and prepare early for these competitive exams.
- ❖ To familiarize students with the types of questions (objective and aptitude-based) and evaluation pattern.
- ❖ To motivate students to explore research and higher education options in India's premier institutes.
- ❖ To provide clarity on how a good GATE or JAM score can shape their career in both academic and industry domains.

## **CONCLUSION:**

The technical talk proved to be highly informative and motivating for students. It clarified many doubts regarding the structure, benefits, and opportunities provided by GATE and JAM exams. The session emphasized that with consistent preparation and proper guidance, students can secure admissions to top institutes like IISc and IITs or get placed in PSUs, thereby advancing their academic and professional journey.

Overall, the event successfully met its objective of raising awareness and guiding students towards taking informed decisions about their future education and career paths.
