Description of the Event:

IEEE Day was celebrated on 31st October 2025. The Chief guest was Mr. Gaurav Pathak, Consulting Engineer, CISCO Systems Pvt Ltd, Governing Boards of IEEE Smart Cities Communications, AD HOC Committee 2025 and IEEE Brand Ambassador. He interacted with students and brought out the importance of IEEE through his own journey. Dr. P N Sudha, Professor and Head, ECE, KSIT addressed the members of the IEEE Execom, focusing on the roles and conduct of being a part of the Execom. She also appreciated the IEEE Execom members for making it be an active part of the Organization and standing up to take up the responsibility to keep up the integrity of IEEE, KSIT. She mentioned about the benefits of being an IEEE member and the immense opportunities that come with it.

Objectives / Key Highlights:

1. To demonstrate the transformative role of IEEE and its members in shaping the future of technology, inspiring students to see themselves as part of this global network of innovators.
2. To clearly illustrate the tangible professional advantages and career growth pathways available exclusively through IEEE membership, thereby making the value proposition immediately relevant to students' futures.
3. To showcase the local student branch as a vibrant, collaborative community where students can build peer networks, develop soft skills, and apply technical knowledge in a fun, supportive environment.
