**Date of Conduction: 28-08-2025**

**Venue: NB 103 Seminar hall**

**Time: 10.30 AM to 1.00PM**

**Duration: Hours**

**Sponsoring Bodies / Associating Organizations: NA Expert Details – with photo**

**Name: Mr Nitin Awasthi**  
**Designation: CEO**  
**Organization: Apsis Solutions**

#### **BRIEF PROFILE ABOUT THE EXPERT:**

Nitin Awasthi is an R&D specialist with over 24 years of experience in the cutting edge technologies. He has devised many innovative projects, which have won awards across the country. He completed his graduation in Electronics & Communication from Bangalore University. Currently, he is founder-Director at Apsis Solutions.

He has worked across various organizations and contributed in the design and development of the world's largest selling Digital Inhaler, India's low cost Ventilator for Covid-19 patients, IoT based data acquisition systems, bomb release triggering mechanism for Jaguar fighter planes, etc.

#### **DESCRIPTION OF THE EVENT:**

The event started with a welcome speech by Srusti and a profile reading by Triya of seventh semester students. Our beloved hod Dr Deepa S R invited Mr Nitin Awasthi with a bouquet. Mr Nitin Awasthi deliberated about the angel investment, types of the startup investors facilitating entrepreneurs, catalysts for growth: incubators & accelerators, and motivated students to become entrepreneurs. Entrepreneurship is the fundamental engine for growth, innovation and resilience. Building a thriving entrepreneurial ecosystem demands a blend of individual attributes, supportive infrastructure and enabling policies.

There are essential skills required for becoming entrepreneurs.

- **Problem-Solving Skills**
  - Ability to identify challenges and develop innovative solutions.
- **Leadership & Team Management**
  - Inspiring and motivating people.
  - Delegating tasks effectively.
- **Financial Literacy**
  - Understanding funding, budgeting, and cash flow.
  - Knowledge of investment, valuation, and ROI.
- **Communication & Networking**
  - Building strong relationships with mentors, investors, and customers.
  - Clear pitching and storytelling skills.
- **Adaptability & Resilience**
  - Navigating failures and economic uncertainties.
  - Embracing change in fast-moving markets.
- **Decision-Making & Critical Thinking**
  - Evaluating risks and opportunities.
  - Making informed, timely choices.
- **Marketing & Sales Skills**
  - Understanding customer needs.
  - Crafting strategies to position and scale products.
- **Time Management & Execution**
  - Prioritizing tasks effectively.
  - Turning ideas into action consistently.

Current Market Scenario: Navigating Headwinds

Global Challenges

- **10,000+ Tech Layoffs** – major job losses worldwide.
- **3.2% Global Slowdown** – reduced economic growth.
- **25% Rise in Protectionist Policies** – increasing trade barriers.

Impact of Layoffs & Economic Challenges

- Job insecurity for professionals.
- Funding crunch for startups.
- Increased competition in limited markets.
- Pressure on businesses to **innovate locally**.

Why Entrepreneurship Matters Now

- **New Job Creation** – startups can absorb talent from layoffs.
- **Local Innovation** – solving region-specific problems.
- **Re-skilling the Workforce** – preparing employees for new tech-driven roles.
- **Economic Revival** – boosting growth through innovation & entrepreneurship

Students are motivated and got some useful insights about the various funding for start-ups, the skills required and the need for the entrepreneurs in India

## Objectives / Key Highlights:

- **Understand Angel Investing**
  - Role of personal capital, mentorship, and early-stage focus.
- **Explore Types of Startup Investing**
  - Angel, Venture Capital, Private Equity, Crowdfunding, Corporate Investment, Incubators & Accelerators.
- **Catalysts for Growth**
  - Role of **Incubators & Accelerators** in nurturing and scaling startups.
- **Global & Indian Landscape**
  - Leading global angel investors.
  - Key pioneers in India (e.g., Naukri, Shaadi).
- **Silicon Valley vs. India**
  - Why Silicon Valley thrives.
  - Why India needs entrepreneurship for self-reliance.
- **Essential Skills for Entrepreneurs**
  - Problem-solving, leadership, financial literacy, networking, adaptability.
- **Current Market Scenario**
  - Tech layoffs, economic slowdown, protectionist policies.
  - Entrepreneurship as the solution.
- **Conclusion: Building a Resilient Future**
  - “The best way to predict the future is to create it.”
