Venue:	College Conference Hall, KSIT, Bengaluru
Time:	10:30 AM – 12:30 PM
Duration:	One Day (2 hours)
No. of Students:	117
Sections:	First Year B.E. – CSE A,B& C Sections

Resource Person :

Name: Sri Sathya Karthik

Designation: Resource Person

Organization: Sri Sathya Sai Seva Organization

Place: Bangalore

Sri Sathya Karthik is an experienced resource person from the Sri Sathya Sai Seva Organization, Bangalore South District. He comes from an eminent educational and professional background and has been conducting personality development programs for engineering students across leading institutions in Karnataka. He conducted all core sessions of HoPE Phase II covering Study Skills, Time Management, Ego & Anger Management, Mobile De-addiction, Mindfulness and Power of Concentration.

Introduction:

A one-day Talk on 'HoPE (Humanity of Positive Energy) – Phase II' was organized by the Department of Computer Science and Engineering, KSIT, in association with Sri Sathya Sai Seva Organization, Bangalore South District. This second phase of the program aimed to build on the foundational PEIS framework introduced in Phase I and further refine the overall personality and attitude of first-year B.E. students through focused sessions on practical life skills, emotional regulation, mindfulness, and digital discipline.

Objectives / Key Highlights:

- To equip first-year B.E. students with effective study skills and structured academic learning techniques.
- To develop time management abilities and goal-oriented planning among students.
- To build emotional resilience through ego and anger management strategies.

- To raise awareness on the ill-effects of mobile addiction and promote healthy digital habits.
- To introduce students to mindfulness practices and techniques for enhancing focus and concentration.
- To collect structured feedback (HoPE Phase II Form) to measure impact and plan Phase III of the program.

Programme Schedule – Activities:

Sl.No	Activity	Description
1	Welcome & Introduction	Registration of students, seating arrangement. Welcome address and introduction of Resource Persons by Event Coordinators.
2	Session 1: Study Skills	Interactive session on effective study techniques, note-taking strategies, and academic planning to improve learning outcomes.
3	Session 2: Time Management	Session on prioritization, goal-setting, avoiding procrastination, and managing academic schedules effectively.
4	Session 3: Ego & Anger Management	Session on self-awareness, emotional regulation, controlling ego-driven behavior, and constructive handling of anger and frustration.
5	Session 4: Mobile De-addiction & Mindfulness	Session on the impact of excessive screen time, strategies for healthy digital habits, and introduction to mindfulness and concentration techniques.
6	Feedback & Felicitation	Distribution and collection of HoPE Phase II Feedback Forms from all students. Felicitation of Resource Persons with bouquets and mementos. Vote of thanks.

Outcomes of the Talk:

- Students gained practical knowledge of effective study techniques, academic planning, and learning strategies.
- Improved awareness of time management and prioritization skills applicable to both academic and personal life.
- Students developed a deeper understanding of emotional triggers and methods to manage ego and anger constructively.
- Raised awareness about the psychological impact of mobile overuse and introduced mindful usage habits.
- Students were introduced to mindfulness and concentration techniques to improve focus and mental clarity.
- HoPE Phase II feedback forms were collected from all attending students for measuring impact and planning Phase III.

Conclusion:

The HoPE (Humanity of Positive Energy) Phase II Personality Development Program was highly impactful and well-received by the first-year B.E. students. Building seamlessly on Phase I, this phase provided students with actionable skills and insights to navigate the challenges of college life with greater confidence, discipline, and mindfulness. The sessions on Study Skills, Time Management, Ego & Anger Management, Mobile De-addiction, Mindfulness and Power of Concentration collectively contributed to the holistic development of students. The program reinforced a positive attitude, improved self-regulation, and motivated students to strive for both academic excellence and personal growth.
