**“Guidance & Counselling on Higher studies in USA”**

<b>Semester:</b>	5 <sup>th</sup> Semester
<b>Event Type:</b>	Awareness Program, Under Alumni Banner
<b>Venue:</b>	Google meet
<b>Event Name:</b>	Guidance & Counselling on Higher studies in USA
<b>Date/Duration:</b>	04/02/2023
<b>Resource Person</b>	Mr. Shashwat Bhaskar, The Product Manger Intel USA & Alumni of KSIT
<b>No. of Students:</b>	9 (Selected students who are all interested to pursue higher studies)
<b>Online link/Offline:</b>	<a href="https://meet.google.com/ddn-uoyc-use">https://meet.google.com/ddn-uoyc-use</a>

### **Event Objectives**

- To motivate the Students for Higher education in abroad
- To educate the Students about various procedures to apply for foreign universities
- To create awareness about various Scholarships and career opportunities in abroad.

### **Description of the Event**

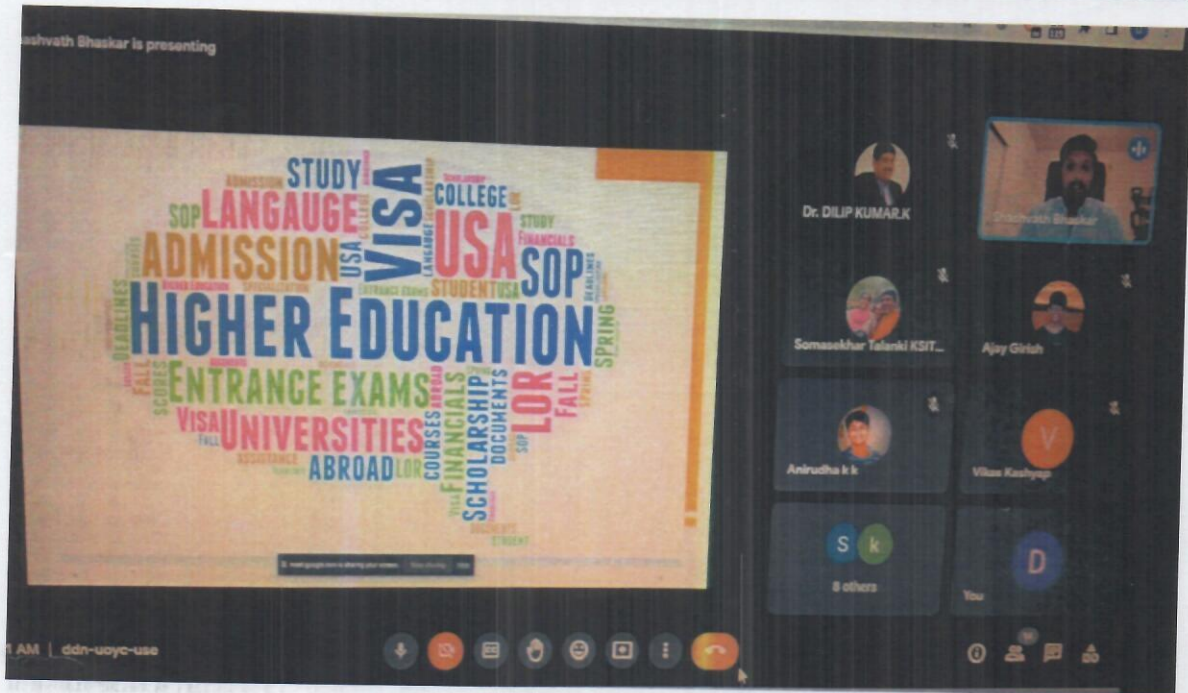

The major objective of this program is to encourage and train the students' academic, social, and personal development. To reach this aim, guidance and counseling program help the students get to know themselves better and find effective solutions to their daily problems.

Mr. Shashwat Bhaskar, The Product Manger Intel USA & Alumni of KSIT like to encourage the students to study in USA for their academic and personal development.

The Program was initiated on 04/02/2023 in online mode through Google meet. Principal Dr Dilip Kumar and Dr Rekha B Venkatapur HOD CSE KSIT joined the meeting.

The Coordinators Prof. T Somasekhar and Prof. Krishna Gudi coordinated the event. Mr Shashwat explained the complete process and answered the various queries asked by students.

Photos :

**Outcomes / Benefits:**

- This program encouraged the students to perceive the higher education
- It helped the students to Understand the various career opportunities in abroad and decide the path to reach their career goals

<b>Semester:</b>	8 <sup>th</sup> Semester
<b>Event Type:</b>	Seminar
<b>Event Name:</b>	Awareness About Overseas Opportunities
<b>Date/Duration:</b>	08-05-2023
<b>Associated Professional Bodies</b>	IDP Education - Study Abroad Consultants
<b>No. of Students:</b>	120
<b>Speaker Details:</b>	Mr. Arya Gaurav- Strategic Alliance Manager Mr. Arshad Ahmed - Australia Destination Manager Mr. Lokesh Naranag - Canada Destination Manager Mr. Mahesh - UK Counselor Mr. Avinash US Counselor
<b>Online link/Offline:</b>	Offline

**Event Objectives:**

- To provide an insight in to Global Study opportunities and Encourage Students to Make a brilliant career in the country of their choice.
- To Provide students an opportunity to meet the counselor in person and Understand the Application Process of various Country and Admission Requirements.
- To give basic Knowledge on how to apply and crack the IELTS (English Proficiency) Test.

**Event description with pictures:**

- The program began with Welcoming Our guests from IDP Study Aboard Consultants at Conference Hall, KSIT. Ms. Namyapriya Dayananda, Assistant Professor of Department of CSE gave a brief Introduction about IDP and guests
  - Mr. Arya Gaurav- Strategic Alliance Manager
  - Mr. Arshad Ahmed - Australia Destination Manager
  - Mr. Lokesh Naranag - Canada Destination Manager
  - Mr. Mahesh - UK Counselor
  - Mr. Avinash US Counselor
- Mr. Arya Gaurav- Strategic Alliance Manager talked about the Overseas Study / Career Opportunities available throughout the globe. He also talked about the IELTS English Proficiency Test.
- Mr. Arshad Ahmed - Australia Destination Manager, Mr. Lokesh Naranag - Canada Destination Manager, Mr. Mahesh - UK Counselor, Mr. Avinash US counselor – Interacted with students one on one and talked about the respective countries, Top Universities and Multiple Courses and Academic Intakes, Admission Process, Scholarships, Internships, Loans, Visa and Stay back Options Available during and after the course Completion.

Figure: IDP Counselor Addressing the gathering and talked about IDP and services

EO#	EVENT OUTCOMES
EO1	Able to acknowledge Global Study opportunities and how to meet Global standards.
EO2	Able to understand the Admission Intake, Requirements, Loans and Visa Process
EO3	Able to crack the Entrance exams like GRE and IELTS.

## MOTIVATIONAL TALK ON CAREER AND OPPORTUNITIES FOR HIGHER STUDIES

On 29<sup>th</sup> November, 2022 IEEE KSIT SB conducted a talk on **career and opportunities for higher studies** by one of the alumni's of KSIT, **Dr Giri Babu**. The Principal and Director of KS Institute of Technology and Mr. Santosh Kumar Professor, ECE welcomed our guest.

Dr. Giri Babu spoke about his Ph.D research in develop methods and studies for human heart and its related viral infections and diseases using GPUs while driving.

He also spoke about his passion for science, technology and human experiences.

## TALK ON CAREER OPPORTUNITIES AFTER GRADUATION

On 22<sup>nd</sup> April, 2023 KSIT-IETE cell conducted a talk on “**CAREER OPPORTUNITIES AFTER GRADUATION**”. The speaker for the event was **Mr Pradeep Mishra**.

Mr Pradeep spoke about the benefits of writing gate exam . He gave information about how gate exam helps in getting

government jobs, sponsored MTech from IIT/NIT ,studying abroad and easy funding for business ideas.

He also shared some strategies to prepare for gate exam . And gave information about the 15 day zero fee program offered by IMS Gate Academy. He also listed out various universities abroad that give admission based on gate scores.

Around 100 students from this event attended this event.

### REPORT ON TECHNICAL TALK

#### “AI AND INDUSTRY USE CASES SOLVED BY HPE”

<b>Semester:</b>	3 <sup>rd</sup> and 5 <sup>th</sup> Semester
<b>Event Type:</b>	Technical talk
<b>Event Name:</b>	AI AND INDUSTRY USE CASES SOLVED BY HPE
<b>Date/Duration:</b>	13-12-2022/ 1.30 pm to 3.30pm
<b>Associated Professional Bodies</b>	IIC
<b>No. of Students:</b>	55
<b>Speaker Details:</b>	Mr. Narsimha Nikhil Raj Padal, Expert Engineer , HPE Mr. Yogesh Kumar Choubey, Senior Specialist Engineer, HPE
<b>Online link/Offline:</b>	Offline

### Event Objectives:

- Provide an understanding of the artificial intelligence and its industry use cases.
- Provide an understanding of neural network and its uses.
- Provide an insight in to latest AI trends and research area.

### Event description with pictures:

The event began with the speaker Mr. Narsimha Nikhil Raj Padal, Expert Engineer, HPE being welcomed florally by the Principal Dr. Dilip Kumar K and the second speaker Mr. Yogesh Kumar Choubey, Senior Specialist Engineer, HPE being welcomed by the CEO Dr. KVA Balaji. The HoD of the AIML department Dr. Vaneeta later felicitated the speakers.

Fig1 Welcome address

The session started with the latest AI research trends and its reachability to the society. The speaker elaborated the origin of AI and its usage in day today life like social media, voice assistants like Siri, Alexa, Cortana, Google maps, Uber and Banking needs.

The session continued with sample of AI use-cases used across all industries like in agriculture for crop monitoring, automated irrigation and harvesting. The other sector where AI has been used are manufacturing, retail, health care, banking, consumers and media and entertainment.

**Fig 2 Basic Artificial Intelligence Use-cases**

The speaker continued with the elaborate explanation on how AI, ML and DL are connected by explaining the need for big data, what is machine learning, essence of ML and life cycle of ML. The speaker later clarified that machine learning that is not deep learning requires feature engineering with examples.

The last session was dedicated to the deep learning and neural networks. The speaker explained in detail how a neural network works by taking an example of identifying an end object. The speaker gave an brief glimpse on AI and storage requirements to deliver data access at the required speed, scale the amount of transformation on the data to improve speed, scale the data storage in a footprint that is easy and cost effective to manage. The session included a brief introduction on swarm learning and why it most popular.

**Fig3 Machine Learning and Neural Networks**

Finally the session concluded with how AI has influenced the various industries and sectors like health care, retail, electric utilities etc and how open AI like ChatGPT and DALLE.2 has evolved and ready to take over the market.

EO#	EVENT OUTCOMES
EO1	Identify the AI techniques and industry use-cases.
EO2	Understand the working of neural network and its uses.
EO3	Utilize the knowledge gained to implement AI algorithms and techniques to develop projects.

## Report on "Engineering Career and Industry Outlook"

The Department of Computer Science and Engineering organized a talk on "Engineering Career and Industry Outlook" in association with **ED Cell** at KSIT, Bengaluru on **13<sup>th</sup> August 2022**.

The resource persons was **Mr. Praveen Kamath Kumbla**, General Manager, Head HR, Global Delivery Enablement, Wipro Ltd.

The talk was organized and focused 2<sup>nd</sup> year students of computer Science and Electronics Communication Engineering.

The prime focus of talk was on "Career opportunities, current vision of the industry and also show the Industry 4.0's future trends". The resource person emphasised the importance of professionalism in the corporate environment and elaborated on the quality of a leader.

The talk was Presided by **Dr Dilip Kumar K**, Principal/Director,KSIT Bengaluru.

**Dr Rekha B Venkatapur**, HoD, Computer Science & Engineering, **Dr. Sudha P N**, HoD, Electronics & Communications, KSIT, were present during the inauguration of the event.

**Dr.Rekha B Venkatapur, HOD-CSE** supervised the proceedings of the event.

## **A Seminar on**

**“Traits - Students transition into next journey - IT Industry”**

**Date of Conduction: 9<sup>th</sup> November 2022**

**Venue: KSIT Conference Hall**

**Time: 11.30AM – 12.30PM**

**Duration: 1 Hour**

**Sponsoring Bodies / Associating Organization: NA**

### ***Expert Details – with photo***

**Name: Mr. Raghu Sosale**

**Designation: Associate Director, Delivery Lead/Manager**

**Organization: Cognizant Technology Solutions, Bengaluru**

### **Brief Profile about the Expert:**

Mr. Raghu Sosale, a certified program manager having around 25 years of IT experience currently working as “Associate Director & Delivery lead” at Cognizant Technology Solutions, Bengaluru since 2016. He has worked in different domains at various IT sectors, as Senior project manager at The Hartford Insurance, USA, Silverline Technology solutions – USA; Cognizant Technologies Inc-USA and so on. His areas of expertise include execution management, customer engagement, Program/project management, Time management, dynamic planning Team leadership and many more.

### **Description of the Event:**

With industrial revolution 4.0 on the horizon, every aspect of the business is undergoing a technological transformation. Information Technology (IT) has been a contributor to several changes for organizations in terms of operations, approaching a customer, digital solutions, and working methodologies. Organizations have understood the importance of IT as an integral part of the infrastructure to flourish in the competitive market. But with rapid changes in the domain, arises the demand for skilled talent to recognize the industry's needs and cultivate relevant skills.

In order to know understand the importance of IT industry upon successful completion of graduation from computer science and engineering course, Industry Institute Interaction Cell (IIC) in association with Department of Computer Science and Engineering conducted a seminar on the said title for final year CSE students on 9<sup>th</sup> November 2022 at Conference Hall.

As per the instructions of Head, Department of CSE, 7<sup>th</sup> Semester CSE students assembled in conference hall at 11.30AM. The program started with welcoming the industry expert Mr. Raghu Sosale with a bouquet by Prof. Geetha R, Assistant Professor, Department of CSE. Prof. Rajesh G.L. Member Convener – IIC briefed about importance of IT, skills required to sustain in an industry and introduced the industry expert to the gathering. Mr. Raghu sosale shared his IT experience with the students and explained in detail about traits necessary for student transition in IT field. Students asked few questions related to traits & requirements to become an IT engineer and further program ended with vote of thanks by Prof. Rajesh G.L at 12.40PM

### Objectives / Key Highlights:

- Explore the traits in IT industry.
- Understand the importance of IT skills required upon completion of engineering course.

Participant details - No. of Participants: 65

Students (internal/external): Internal (7<sup>th</sup> Semester – CSE) - 65

Faculty: Prof. Geetha R, Prof. Kavya, Prof. Sanjay Das, Prof Rashmi.

Photos (Geo Tagged):

Seminar conducted at KSIT Conference Hall Industry expert welcomed by Prof. Geetha, CSE

Mr. Raghu Sosale delivered seminar on said title

### Outcomes / Benefits:

- Students understood the necessity of traits to be followed in an IT company.
- Explored on IT related skills, future of IT, contribution of IT engineer towards product development.

### Attachments:

1. Communication with Resources person
2. Resources person Profile
3. Evaluation and Feedback
4. Budget and Expenditure Details/amount

Talk on  
**Orientation Program by BSC Academy**  
**for Coaching for IAS and other competitive Exams**

Talk on "Orientation program by BSC academy coaching for IAS and other exams" was conducted for final year students of all branches of KSIT and KSSEM on 4<sup>th</sup> October 2021 in Conference hall of KSIT. This event was for around 2 hours started at 11:30 am and ended at 1 :30 pm organized by KSIT-ISTE in association with BSC IAS Academy,Bangalore.

**Sri R. Rajagopal Naidu, President, Kammavari Sangham , gave a motivated story on a IPS Officer and inspired the students to join IAP and IPS to serve the country.**

**Sri N.P. Ravindranath Naidu, FCA, Chairman, BSC IAS Academy, gave a complete brief explanation about the academy on how the coaching of institution take place. He also gave a brief description on applying for IAS exams and various other exams can be attempted by preparing for one exam.**

**Dr. Dilip Kumar K Principal / Director, K S Institute of Technology, gave an introduction of all the Management Committee. He also spoke about the importance in development of the country and to do that we need many officers such as IAS and IPS.**

Sri. Sanket was the member of BSC Academy for Coaching for IAS and other competitive Exams, gave an introduction on what the coaching centre aim is for the students who join the institution. He gave a detailed explanation starting with what would be the future of the student if he joins the institution to prepare for IAS and IPS. If not UPSC he also gave a Plan B idea if it doesn't work out.

He gave a examples of IAS IPS officers who got selected from there institution. He gave a detailed explanation about the each and every role of IAS and IPS officer. This institution gives coaching for students for free of cost. They give complete training required to clear the UPSC exams. He mentioned the exams that can be taken to become and IAS and IPS officer. He ended his presentation by mentioning all the key factors required for student to start his preparation to become an IAS and IPS officer to serve the nation.

Program outcomes:

- \*Students acquired brief knowledge about the exams to take up to become an IAS and IPS officer
- \*Gained Knowledge on how to approach to UPSC exams and the Institutions.

**Faculty Coordinators:**

Prof. Krupesha D, Asst. Prof, AIML

Prof. Anu Mathews, Asst. Prof, AIML

## CONTENTS

Guest Lecture on“QUANTITATIVE APTITUDE” by Mr. Chandrahasan, Visiting Faculty, Amruta Business School was arranged by AIML Department for students on 17<sup>th</sup>Dec 2021 at 8.30am in Seminar Hall, Old Building, KSIT.

### OBJECTIVES:

- To expose the participants to importance of quantitative aptitude
- To provide the students an opportunity to meet the faculty who were certified in aptitude training
- To understand the significance of quantitative aptitude in becoming a successful engineer
- To recommend various advantages of mastering quantitative aptitude

### PROFILE OF SPEAKER

MR. CHANDRAHASAN *is currently* Visiting Faculty, Amruta Business School. He has been teaching Aptitude for first and second year MBA students. From 2008 to date I have been visiting faculty in TIME, IMS, Vistamind, Amruta college (Mysore & Coimbatore), AFMI Mysore, M.S. Ramaiah Institute of Management, GEMS business school and various engineering colleges for pre-placement training. He studied mechanical engineering at IIT Madras (1965 to 1970) and MBA at IIM Calcutta (1970 to 1972). At IIM Calcutta I was placed in the roll of honour for excellence in academic performance.

### EVENT:

The FDP was held on 17<sup>th</sup>Dec. 2021, 8.30am to 11.30am in the Seminar Hall. Mr. Chandrahasan, Visiting Faculty, Amruta Business School was the resource person. Dr. Ram P Rustagi, HoD AIML dept. started the event by welcoming the Dignitaries and Participants.

Dr. Dilip Kumar K, Principal briefed the importance of Patent Filing. Mr. Krupesha D, Assistant Professor, Dept. of AIML, gave a brief introduction about the speaker and had handed over the session to Speaker.

**Mr. Chandrahasan covered the following topics in her lecture:**

- Introduction to aptitude
- Importance of quantitative aptitude
- Problem solution statement
- Transition from problems to solutions
- Parts of Application

**Mr. Chandrahasan is being welcomed to the dais for the session**

**Mr. Chandrahasan explaining the importance of Quantitative aptitude for engineers**

*The complete session was very informative which helped everyone imbibe the knowledge about Quantitative Aptitude.*

46 students from AIML department attended the lecture. The technical talk has also provided the faculty an exposure to Quantitative aptitude. The event ended at 11.30AM., and everyone left with positive feedback.

Prof. Krupesha D, Asst. Professor, AIML

## CONTENTS

Guest Lecture on "IMPORTANCE OF INNOVATION AND SOFT SKILLS" by Mr. Bhasyam Mahendra Goud, Delivery Manager, Digital Assurance (GTT), Hexaware Ltd. was arranged by AIML dept., KSIT for 3<sup>rd</sup> semester students of AIML dept. on 19<sup>th</sup> Nov 2021 at 9am in Seminar Hall, Old Building, KSIT.

### OBJECTIVES:

- To expose the participants to importance of innovation
- To provide the students an opportunity to meet the industry people who were recognized for their innovative talents
- To analyse importance of soft skills and innovations to become a successful engineer

### PROFILE OF SPEAKER

*MR. BHASYAM MAHENDRA GOUD is currently working as delivery manager in digital assurance sector in Hexaware Company. He has a vast experience to support his credentials. He improvised on the significance of innovation to generate novel ideas for students. The prominence of innovation could help students in becoming successful engineers. He also suggested improvisation of innovation could lead to a marketable idea.*

*Furthermore, he suggested that soft skills and innovations should go hand in hand to have a successful IT career.*

### EVENT:

The FDP was held on 19<sup>th</sup> Nov. 2021, 9am to 1pm in Seminar Hall. Mr. Bhasyam Mahendra Goud was the resource person. Dr. Ram P Rustagi, Professor, Dept. of AIML started the event by welcoming the Dignitaries and Participants.

Dr. Dilip Kumar K, Principal briefed the importance of innovation to students. Mr. Krupesha D, Assistant Professor, Dept. of AIML, gave a brief introduction about the speaker and had handed over the session to Speaker.

**Mr. Bhasyam Mahendra Goud covered the following topics in her lecture:**

- **Inventions**
- **Background of inventions**
- **How a novel invention to become an innovation**
- **Developing the innovation to become an idea**
- **Improvising the idea to become a marketable product**
- **Importance of soft skills for engineers**
- **Road map to become successful innovative engineers**

**Dr. Ram P Rustagi, HOD & Professor, Dept. of AIML,KSIT, Welcoming the guest speaker**

**Mr. Bhasyam Mahendra Goud explaining the importance innovations**

Mr. Bhasyam Mahendra Goud addressing the queries of participants

The complete session was very informative which helped everyone imbibe the knowledge about Innovations and Soft skills. Finally, feedback was collected from all the participants.

46 students from AIML department attended the lecture. The technical talk has provided the faculty an exposure to Innovations and Soft skills. The event ended at 11 am and everyone left with positive feedback.

# Internship Training Program- AZURE

Internship plays a vital role in a student's career. Internships are beneficial because they help develop professional aptitude, strengthen personal character, and provide a greater door to opportunity. It gives student the broadest spectrum of opportunities by investing in internships when seeking and applying for a job after college.

*Welcoming bouquet by our HoD-Dr.Rekha B Venkatapur to all speakers for the day*

# Introduction

The Seminar on “Internship Training Program AZURE” took place in the mechanical seminar hall on May10th 2022 at 11am under Alumni Association. The talk was all about bringing awareness to the students about Internships and their opportunities. Around 100 students from the Computer Science Engineering branch students took part in the event. Students had talk from three companies about internship opportunities

## About Companies

The managing director of Rapsol Technologies Private Limited is our college alumni from the 2012 batch-Mr Niranjan Balaji(+918073333745).Website URL-<https://rapsoltechnologies.com>,mail-niranjan@rapsoltechnologies.com

Prinston Smart Engineers, the speaker was Farheen(+919513106196).WebsiteURL-<https://prinstonsmart.com>, mail-prinston.smart@gmail.com

**TargetAudience:6<sup>th</sup> Sem CSE Students-2023batch**

# Learning Objectives

After this talk students will be able to understand:-

- What is an Internship?
- Importance of Internships
- Need for Skill development
- Advantages of experiential learning through workshops and projects.

## Outcomes of the Seminar's

- An informative session for encouraging skill development.
- Awareness creation among students regarding experiential learning in internships.
- Motivation to students to enroll on internship training programs.
- Encouragement to students to take up projects as a team.

We wish all the best for our students in their future endeavors from the Department of CSE.

## HIGHLIGHTS:

Students Attending the Webinar had Observed the following:

1. Doing masters - How, Pros, Cons
2. Online Studying and available resources
3. Job Opportunities and Certifications
4. Queries raised by the students

# Pursuing Masters

Pros	Cons
<ul style="list-style-type: none"> <li>❖ Some universities are not even asking for GRE score</li> <li>❖ Moving the classes from in person to online</li> <li>❖ Removing restriction on number of credits to take per semester</li> <li>❖ Reducing the fees to instate tuition</li> <li>❖ Can be completed from anywhere</li> <li>❖ Less number of international students applying, so universities are still accepting applications</li> <li>❖ F1 visa are not affected by new executive order from Trump</li> </ul>	<ul style="list-style-type: none"> <li>❖ Exchange rates are high</li> <li>❖ Fees and expenses – Even after reducing to instate tuition fees by some universities, can be still a lot</li> <li>❖ Though some universities removed the restriction on max number of credits, still may no allow for all courses</li> <li>❖ OPT / Stem OPT options still are not confirmed for students who will be completing the degree online</li> <li>❖ Any impact for students starting the Masters in online schedule and then obtaining the visa to come to the country</li> <li>❖ Chances of working under professors on research projects may not be possible in this case</li> <li>❖ Less assistance from universities as they are impacted from Covid 19 too</li> </ul>

Good Article on How will Covid-19 affect my application? [LINK](#)

## Landing in a Job

- ❖ Prepare a really good resume, cover letter and LinkedIn profile
- ❖ Concentrate on product based companies (intel, Amazon, Google, HP, etc.)
- ❖ Define a daily schedule for applying, networking and improving skillset
- ❖ Prepare based on industry interested using hackerank, leetcode, code chef, codewars
- ❖ Look for freelancing sites that offer free lancer jobs and check out if that's something you could do? Take it as a personal problem statement and solve it! (upwork, freelancer, PeoplePerHour)
- ❖ Obtain resume building assistance from real people, offered by LinkedIn to build an excellent resume
- ❖ Make an adaptable resume to change according to the job applying
- ❖ Reach out to seniors from different companies for referrals and guidance
- ❖ Build connections and networks using LinkedIn with various managers and employees at different companies

Remember, Job searching and getting the right job is a FULL TIME JOB  
More the commitment, Better the Result !!

## Contingency Plan

- ❖ Defer the admit from any university to a later stage (at least a year from now)
- ❖ Might get an admit into ambitious universities as well (good to try) and then defer once I20 is received
- ❖ Not satisfied with score? you got the time to take the exam again and reconsider the options
- ❖ Brush up the skills that you have learned in engineering and also the ones you want to pursue when you do masters.
- ❖ Learn about the research facility in the university and the faculty that are working on
- ❖ Reach out to faculty members from the university in your branch, check if they have any TA positions or RA positions
- ❖ You may want to consider converting Masters into thesis options
- ❖ Apply to companies, attend campus interviews (if any) and get a job
- ❖ Prepare and get certifications. More in future slides
- ❖ **This situation can be used positively to say how you had contingency plan and how you made the best out of it. You if is SOP, universities and companies later would love to see it !!**

### **Program Outcomes:**

The webinar gave a platform for students in which Student can choose their career path and opportunities provided to students.

The Students of KSIT thoroughly enjoyed the program and learnt a lot about Higher Studies, Job Opportunities, etc. We also had a chance to interact with Speaker.

REPORT ON INTERENSHIP TALK

During this quarantine period, Indians along with the people from around the world are now looking for Jobs online to work from Home. Similarly, most of the internships are also being conducted online. Echoboomb had hosted a talk online to address the same.

Skill culture talk was organized for the students of KS Institute of Technology on 18<sup>th</sup> May 2021 at 9:30 am for the student of 6<sup>th</sup> sem students. The meeting was conducted through Zoom, hosted by Devyani and Prakash, he was the key speaker, addressed around 150 students attending the meeting from their homes. Various teachers from our college also attended the meeting. The speaker spoke about the programs offered by the Echoboomb

#### Program Details:

- Program Title: Internship
- Duration: 1 Month

The students are allowed to enroll to the 4 weeks program, which is split into - 2 weeks of Training on Programming Languages and 2 weeks of Exposure to work on real time Applications, by paying an amount of Rs 1500 for the training. The student would be enrolled as Intern at a very affordable cost for the duration of one month.

Overall, the talk was a success with a lot of students attending the meeting.

## DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING REPORT ON INTERNSHIP TALK

The long lockdown for the COVID- 19 pandemic has closed schools, colleges and other educational institutions, and ushered in the citywide classroom: students all over the country are glued to their computers and smartphones as teachers take to online apps for lectures, tutorials and assessments. Similarly, most of the internships are being conducted online. Tequed Labs had hosted an online webinar to give students a better understanding of the internship during this time.

This webinar was mainly organized for the students of KS Institute of Technology on 7<sup>th</sup> June 2020 at 09:30 am for the student of 6<sup>th</sup> sem. The meeting was conducted through Zoom, the key speaker Nithin K Naik, who is the technical manager at Tequed Labs addressed around 65 students attending the meeting from their homes. Various teachers from our college also attended the meeting. The speaker spoke about the importance of internship, he then spoke about the programs offered by the Tequed Labs, which includes – Online class and project activities, project-based learning, one-month mentorship, and an onlinehackathon.

The courses offered were of four categories:

- Artificial Intelligence and Machine Learning
- Full Stack WebDevelopment
- Ethical Hacking and CyberSecurity
- Internet of Things

The students are allowed to enrol to any one of these courses by paying an amount of Rs 4000 for the training. After this they will be offered a free internship for a month. The meeting came to an end with the speaker giving the contact information of the authorised personnel to the students.

Overall, the webinar was a success with a lot of students attending the meeting.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING  
REPORT ON WEBINAR

The Department of Computer Science and Engineering organized a webinar on “Design Innovation for Successful Career in the field of Aviation for CSE Students” on 17<sup>th</sup> July, 2021 in association with ISTE. The students of 4<sup>th</sup> and 6<sup>th</sup> semester were the targeted participants. 97 students and faculties participated in the webinar.

### Resource Persons:

Mr. Dhanish Abdul Khader  
Space Systems Engineer,  
SS Technologies  
Bangalore.

Webinar started by welcoming the speaker, HOD, all faculty members and students. The purpose of this technical talk was to make the students of to gain knowledge and skills about the tools in web application development.

SS TECHNOLOGIES  
Bangalore,India  
DATE: 7TH JULY 2021  
TIMINGS: 12.15-1.15PM

**BONUS FOR STUDENTS**

1. SPACE AND DEFENCE SOFTWARE TRAINING WITH INTERNSHIP LETTER.
2. MATERIALS OF MODELLING, ANALYSIS AND PROGRAMMING SOFTWARES IN A 64 GB PENDRIVE TO EACH STUDENT.
3. A FREE CHANCE TO FLY A REAL TWO SEATER AIRCRAFT FOR EACH STUDENT.

Dr. REKHA B VENKATAPUR  
PROFESSOR AND HEAD  
CSE  
KSIT

Dr. DILIP KUMAR K  
PRINCIPAL  
KSIT

The speaker emphasised on use of Computers in every area in the aviation industry from training to flight design to communication. Computer science skills are a prerequisite for practically every position. Before flight, computer software is utilized in order for aircraft to be designed and for training pilots.

The speaker highlighted on some of the job positions such as Airline and Commercial Pilot, Air Traffic Controller, Aircraft Maintenance Engineer, Flight Attendant, Aviation Medicine, Aerospace Engineer, Aviation Management, Quality Control Officer.

The speaker showed the usage of Systems Tool Kit(STK) required for designing and programming in aviation. Systems Tool Kit (STK) is a platform for analyzing and visualizing complex systems in the context of your mission. Interact with data from platforms across the aerospace, defense, telecommunications, and other industries. Simulate your intended missions and communicate the results with reports, graphs, and stunning 3D animations.

The Synthesis ToolKit in C++ (STK) is a set of open source audio signal processing and algorithmic synthesis classes written in the C++ programming language.

#### **Program Outcomes:**

The webinar gave insights into working environment of Aviation using STK for students in which Student can choose their career path and opportunities.

The Students of KSIT thoroughly enjoyed the program and learnt a lot about STK Application Development, tools used, Job Opportunities, etc.

## DEPARTMENT OF TRAINING & PLACEMENTS

### CIRCULAR

Date: 12.03.2020

Placement Department had planned to conduct the "Seminar on Higher Education" on 09/03/2020 our college for 6<sup>th</sup> Semester Students.

**Venue:** Conference Hall (New Building) **Time:** 11.00 AM

It is compulsory and mandatory for all students to attend the seminar. All the subject teachers as well as placement coordinators should take attendance and control the students to maintain the discipline.

#### ABOUT CEP GLOBAL:

CEP Global in association with Inspirus Education, Mumbai would like to conduct an informative seminar to the pre-final and final year students of your esteemed college on the opportunities available abroad for education and a fulfilling career. This seminar would be conducted by Ms. Bakhawar Krishnan, an experienced career counselor and an erudite speaker in matters of International Education.

The seminar will be titled "An overview: **Opportunities Abroad for Career and beyond....**"

The seminar will focus on how to choose one's career, why one should consider pursuing Higher Education abroad, the advantages, challenges and requirements. It will also focus on Education in different countries like USA, UK, Germany, Canada, Ireland, Australia etc. and help in understanding on which country would suit a particular student based on his/her interests/field, etc.

Finally, seminar will brief on each of the examination (GRE, GMAT, and IELTS/TOEFL) and the preparation that needs to be done.

#### A brief overview of the seminar is as below:

1. Higher Education: Should you study abroad?
2. Choosing Careers
3. Indian Employment Scene
4. Worried about Finance?
5. Where are Indian Students going for Higher Education? And how to get there ?
6. Why so many students have chosen Inspirus?
7. Q & A Session with Students

HOD's are requested to communicate the 6<sup>th</sup> Semester students and inform the coordinators and subject teachers regarding the same.

To,

Mr. Harish,

K S Institute of Technology

Respected Sir,

Greetings from CEP Global. In continuation to our conversation over phone, we thank you for providing us an opportunity for conducting an informative seminar on opportunities abroad for higher education on

Monday, March 9th 2020

Time: 11 am.

Please find the details of seminar as below:

In this increasingly globalised and connected world, graduates with international exposure and education are valued by employers. This is not only an opportunity to learn in some of the top universities of the world but also an opportunity to appreciate new culture, language and meet people from diverse background.

CEP Global in association with Inspirus Education , Mumbai would like to conduct an informative seminar to the pre-final and final year students of your esteemed college on the opportunities available abroad for education and a

fulfilling career. This seminar would be conducted by Ms. Bakthawar Krishnan , an experienced career counselor and an erudite speaker in matters of International Education.

The seminar will be titled "An overview : Opportunities Abroad for Career and beyond...."

The seminar will focus on how to choose one's career , why one should consider pursuing Higher Education abroad, the advantages, challenges and requirements. It will also focus on Education in different countries like USA, UK, Germany, Canada, Ireland, Australia etc and help in understanding on which country would suit a particular student based on his/her interests/field, etc.

Finally, seminar will brief on each of the examination (GRE, GMAT, IELTS/TOEFL) and the preparation that needs to be done.

*A brief overview of the seminar is as below:*

1. Higher Education : Should you study abroad ?
2. Choosing Careers
3. Indian Employment Scene
4. Worried about Finance ?
5. Where are Indian Students going for Higher Education ? And how to get there ?
6. Why so many students have chosen Inspirus?
7. Q & A Session with Students

***A brief Profile of Ms. Bakthawar is as below:***

Bakhtawar Krishnan is an accomplished professional in the field of higher education related to overseas study. She brings with her 30 years of diverse experience, both at the national and international levels, in different roles across industries. Over the last 5 years, she has carved a niche for herself and earned a solid reputation in the field of international education. In her wide-ranging career, Bakhtawar has helped hundreds of students realize their dreams of studying in prestigious international universities.

She has several stories of successful top placements to her credit, at the core of which lies her deep sense of love and commitment for students and an unflinching passion for education. Bakhtawar believes in providing personalized student attention and actively engages with students to help them select the most appropriate university and courses, in line with their aspiration.

We request you to confirm the date and time. Looking forward for a fruitful interaction with students of KSIT.

Warm Regards,  
Vishu Gupta

**HIGHLIGHTS:**

Students Attending the Webinar had observed the following:

1. Doing masters - How, Pros, Cons
2. Online Studying and available resources
3. Job Opportunities and Certifications
4. Queries raised by the students

**Pursuing Masters**

Pros	Cons
<ul style="list-style-type: none"> <li>◆ Some universities are not even asking for GRE score</li> <li>◆ Moving the classes from in person to online</li> <li>◆ Removing restriction on number of credits to take per semester</li> <li>◆ Reducing the fees to instate tuition</li> <li>◆ Can be completed from anywhere</li> <li>◆ Less number of International students applying, so universities are still accepting applications</li> <li>◆ F1 visa are not affected by new executive order from Trump</li> </ul>	<ul style="list-style-type: none"> <li>◆ Exchange rates are high</li> <li>◆ Fees and expenses – Even after reducing to instate tuition fees by some universities, can be still a lot</li> <li>◆ Though some universities removed the restriction on max number of credits, still may not allow for all courses</li> <li>◆ OPT / Stem OPT options still are not confirmed for students who will be completing the degree online</li> <li>◆ Any Impact for students starting the Masters in online schedule and then obtaining the visa to come to the country</li> <li>◆ Chances of working under professors on research projects may not be possible in this case</li> <li>◆ Less assistance from universities as they are impacted from Covid 19 too</li> </ul>

Good Article on How will Covid-19 affect my application? [LINK](#)

Fig 3: Details on pursuing Masters

## Land in a Job

- ❖ Prepare a really good resume, cover letter and LinkedIn profile
- ❖ Concentrate on product based companies (Intel, Amazon, Google, HP, etc.)
- ❖ Define a daily schedule for applying, networking and improving skillset
- ❖ Prepare based on industry interested using hackerank, leetcode, code chef, codewars
- ❖ Look for freelancing sites that offer free lancer jobs and check out if that's something you could do? Take it as a personal problem statement and solve it (upwork, freelancer, PeoplePerHour)
- ❖ Obtain resume building assistance from real people, offered by LinkedIn to build an excellent resume
- ❖ Make an adaptable resume to change according to the job applying
- ❖ Reach out to seniors from different companies for referrals and guidance
- ❖ Build connections and networks using LinkedIn with various managers and employees at different companies

Remember, Job searching and getting the right job is a FULL TIME JOB  
More the commitment, Better the Result !!

Fig 4: Details on Job Opportunities

## Contingency Plan

- ❖ Defer the admit from any university to a later stage (at least a year from now)
- ❖ Might get an admit into ambitious universities as well (good to try) and then defer once I20 is received
- ❖ Not satisfied with score? you got the time to take the exam again and reconsider the options
- ❖ Brush up the skills that you have learned in engineering and also the ones you want to pursue when you do masters.
- ❖ Learn about the research facility in the university and the faculty that are working on
- ❖ Reach out to faculty members from the university in your branch, check if they have any TA positions or RA positions
- ❖ You may want to consider converting Masters into thesis options
- ❖ Apply to companies, attend campus interviews (if any) and get a job
- ❖ Prepare and get certifications. More in future slides
- ❖ This situation can be used positively to say how you had contingency plan and how you made the best out of it. You it is SOP, universities and companies later would love to see it !!

Fig. 5: Details on Contingency Planning

Fig. 6: Webinar Online Session

**Program Outcomes:**

The webinar gave a platform for students in which Student can choose their career path and opportunities provided to students.

The Students of KSIT thoroughly enjoyed the program and learnt a lot about Higher Studies, Job Opportunities, etc. Students had a chance to interact with Speaker.

### **Report on ' Entrepreneur's Life & Career opportunity'**

Mr.Gurusharan an Alumni of our institute delivered talk on " Entrepreneur's Life & Career opportunity " for the Fifth Semester EC students in the EC Seminar hall on 27<sup>th</sup> September 2019 between 2.30 pm and 4.00 pm. The number of students attended the talk was **78** (seventy eight). Mr.Gurusharan graduated in the year 2014 in Electronics & Communication Engineering. Then completed his Master's degree in Electrical & Computer Engineering from University of Florida in the year 2016. Currently he is running consultancy 'Path Finder' for the benefit of Engineering Graduates. Mr.B.R.Santhosh Kumar., Associate Professor in the department of ECE welcomed everybody for the talk and also introduced the speaker. Then Mr.Gurusharan presented the talk on " Entrepreneur's Life & Career opportunity "

Mr.Gurusharan Presenting the Talk

Presentation Slides of Mr.Gurusharan

He said in his presentation that to become an entrepreneur one should have the dedication and zeal to work for achieving the successes. He mentioned the benefits of becoming an entrepreneur and also about the career growth. He shared all his experience and motivated the students to become Entrepreneurs..

Presenting Memento to the speaker

The talk was concluded by presenting a memento to the speaker and vote of Thanks by Mr.B.R.Santhosh Kumar.

Report on

### Technical Talk- 25<sup>th</sup> February 2020

A Technical Talk on “Enroute College to Corporate”, by Mr. Nishith H M, Alumni 2016 batch, was organized by Department of Telecommunication Engineering K.S.I.T on 25<sup>th</sup> of February 2020 in TCE Department. The Seminar began with a welcome speech introducing the resource person to the audience i.e. 8<sup>th</sup> and 6<sup>th</sup> Semester Students.

He mainly focused on the following aspects:

- Aptitudes
- Group Discussions
- Technical Round
- Personal Interview
- Handle rejections
- Difference between college and corporate
- Time Flies
- Trends and Trend Setters
- Industry and corporate trends
- College trends
- A better way of training mind

On the whole the Talk was educative on both theoretical as well as Practical. Overall 60 Students from sixth semester TCE were involved. The talk was very helpful to a students who are finding it difficult to decide on which programming courses to be take next.

It also motivated students to learn new technologies and programming languages. Talk ended with vote of thanks. All the students liked the session very much and are look forward to many more like this.

The entire Department thank Principal and Management for supporting us throughout the event and making this event a successful one.

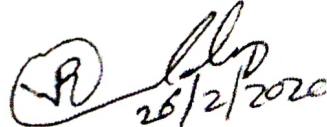

**Mapping of workshop with PO'S and PSO'S**

A Report on

**PANEL DISCUSSION : CAREER TRENDS AND SKILLS FOR SUCCESS IN  
BUSINESS INTELLIGENCE AND TRADE COMPLIANCE**

Innovation and Entrepreneurship Development Cell (IEDC) and IEEE KSIT Student Branch in collaboration with LAB-X Foundation, US organized a Panel discussion on "PANEL DISCUSSION ON CAREER TRENDS AND SKILLS FOR SUCCESS IN BUSINESS INTELLIGENCE AND TRADE COMPLIANCE" on 14th November 2019 from 10am to 11.30 am.

About 200 students actively participated in the event from various departments like Electronics & Communication, Computer Science & Engg, Mechanical Eng and Telecommunication.

The event provided global exposure to students through interaction with technology leaders. Honored speakers in this program included:

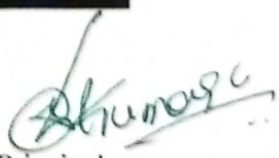

1. Mr. Dave Thakkar, Sr. Program Manager- AMAZON (Seattle)
2. Mr. Brad Haney, Sr. Trade Compliance Manager- AMAZON (Seattle) and
3. Mr. Ankit Bera, Sr. Operations Manager, Global Trade -AMAZON(Bengaluru).

The discussion was about skills required for Trade Compliance and Business Intelligence in the global scenario. The speakers gain valuable insights to the students.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING  
REPORT ON SEMINAR  
**“HIGHER EDUCATION OPTIONS AFTER GRADUATION”**

The Department of Computer Science and Engineering Organized a Seminar on **“Higher Education Options after Graduation”** on 11<sup>th</sup>Oct, 2018 under the banner of IEI at Conference hall, New Block. The 7<sup>th</sup> Semester Students were the targeted participated.

**Speakers**

Mr. Krishna Pratap Reddy  
Senior Faculty Quality,  
TIME,  
Bangalore

Program was started by introducing the speaker and welcoming the speaker with a bouquet and memento in the presence of HOD Dr. Rekha B Venkatapur.

1. Welcoming the Speaker

**KSIT**  
K. J. SOMAIYA INSTITUTE OF TECHNOLOGY

Speaker started the seminar by briefing about wide range of programmes offered not only for national and state-level entrance exams like the CAT, MAT, JEE MAIN, and JEE ADVANCED but also for international exams like GMAT, GRE, IELTS and TOEFL. CAT is the superset of all the other exams. Speaker taught the students some of the shortcut methods to solve aptitude problems and save their time during examination.

## 2. Targeted Students

Mr. Rudrajit Nandi, Manager, TIME, highlighted on the various universities available in india and abroad for higher education, what scholarships are provided and which exams are to be cracked for particular universities.

## 3. Lecture by Speaker

The seminar was really informative for the students to acquire knowledge on competitive exams and universities providing higher education. We appreciate and thank you for your effort in helping students to acquire skills required for building their successful career.

## Report on

Talk on

## "What next? An influential perspective on career growth"

On 2<sup>nd</sup> August 2018

On August 2<sup>nd</sup> 2018, under telecom engineers forum a talk was organized on "what next? An influential perspective on career growth" from two aluminates of KSIT telecommunication department SATHYA PRAMOD BHAT and VIKAS NAG PRASANNA.

Sathya pramod bhat completed his engineering in 2015, he has been a placement and personal development trainer at Quantech origin, he has worked as a software developer at NTT DATA, pursuing his masters in management information systems at university of Texas, Arlington, USA.

Vikas nag prasanna attained his bachelor of engineering in 2015, he has been a devops engineer at first American title limited, he has completed his masters in Digital innovation at UCD Micheal s graduate business school, Dublin, Ireland. He is a pursuit of business analyst for innovation and research and development global team in United health group.

The talk was addressed to 7th and 5th semester students. The purpose of the talk was to make students understand the importance of communication skills, having research papers done, having good score while doing under grad, being eligible of having offer letters at the end of engineering and to have a clear idea about which field to pursue after under graduation.

They even briefed about pursuing masters and jobs in abroad. They spoke about studies and work in USA and Ireland, and about what all researches and background checks have to be done before moving forward.

The talk was very much interactive and all the students were highly motivated and got a great insight about the topic. The purpose of the talk was totally served and very informative.
