

The institution is governed at different levels. The responsibility of the day to day running of the institution is decentralized into the following levels:

1. Principal
2. Head of the Department
3. Faculty
4. Students

The **Principal/Director** ensures that the college curriculum is academically viable and consistent with college objectives as well as the affiliating University directives. The Principal conducts regular meetings with all the Heads of the departments regarding academic activities, adherence to the university/institute academic calendar, student's progress, placement and training issues, research and extension activities, industry institution interaction, consultancy assignments, alumni interaction etc.

The primary role of the **Head of the Department** is to provide strong leadership. HOD will be responsible for planning academic strategy for the development of the department in line with the strategic plans of the institution. The HOD drives the department on a day to day basis and is responsible for work allotment, Time Table, complying with the academic calendar, teaching, supervising the other staff and assessment.

Faculty are given representation in different committees/cells and required to direct different programs. They are encouraged to develop administration skills by being in control of different scholastic, co-curricular, and extracurricular exercises. They act as a bridge between the administration and students.

Students are the main stakeholders who are encouraged to play an active role in the management through representation as class representatives and as members of various committees.

Anti-Sexual Harassment Committee, Grievance Redressal Committee, Anti Ragging Committee are some of the committees that exist in the college. The names of committee members with their contact numbers are displayed on notice boards/website for the information of stakeholders. If any grievance is reported, it is addressed to the convener of the committee who will take up the matter with the Principal and follow up the matter until proper action is taken. Following are the list of various committees.
