Ananya

The cultural activities enhance the confidence level of the students thereby allowing them to perform better. These activities develop the personality of the students and assist them in shaping a good career. In fact, students can also leverage the advantage of participating and conducting in various activities. This year K.S INSTITUE OF TECHNOLOGY decided to have its annual fest ANANYA 2K22 with the theme "ANRUTHA"meaning "BEYOND IMAGINATION"which was dedicated to the COVID warriors on 18 June 2022. The team of Ananya consists of chief co-ordinators, faculty co-ordinators and student co-ordinators named as core committee, various clubs and core volunteers without whose help Ananya couldn't be a full-fledged event.
