On behalf of GHPS DODDHAKALLASANDRA I extend our heartfelt gratitude and appreciation to all of you who participated in the educational initiative under National Service Scheme (NSS) and the Youth for Seva.

Your dedication and enthusiasm in delivering enriching science classes to our students over the past two months with two classes per week from October 26th, 2023 to December 26th, 2023 have left an indelible mark on their educational journey.

Your efforts have not only enhanced their knowledge but also ignited a passion for learning that goes beyond the traditional curriculum. The way you simplified complex concepts and engaged our students in interactive learning sessions is truly commendable.

It is heartening to see young individuals like yourselves taking the initiative to give back to the community, inspiring a culture of service and empathy. Your contribution has been a great example of how collective efforts can make a significant impact in the realm of education. We are grateful for your time, energy, and expertise.

We hope this two-month experience has been as rewarding for you as it has been for us and our students. We look forward to more such collaborations in the future and wish you all the very best in your future endeavours.

Thank you once again for your valuable contribution and for being an inspiration to our students.

Warm regards,

DR. DODDHAKALLASANDRA
